Dear Wayne:

Enclosed you will find a completed Form MR-AR (Revised 1/91) for mining conducted on AUMCO Claim #1 during 1991. As you will see we mined approximately 525 tons during 1991. All mining was conducted in the same location as previous mining. No new area was disturbed. During 1992 we hope to mine considerably more Azomite®.

If you have any questions, please do not hesitate to call or write.

Sincerely,

Clyde Borrell, P.E.
Vice President
